TOP SECRET  
Security Information

25X1A1d

25X1A6a

It is requested that the [redacted] provide transportation for fourteen employees of this Agency from [redacted] on 31 March, or as soon thereafter as possible.

25X1A1d

In order to maintain the degree of security desired, it is considered that surface transportation is necessary. At your convenience, representatives of this Agency will furnish orally additional information concerning the urgency of this movement.

Your early assistance in this matter will be greatly appreciated.

Sincerely yours,

Allen W. Dulles  
Director
